Front print

Chai Phir Uzair kay kamray ma... !
01/06/27

ITEM	SPEC
Text	**Chai Phir Uzair kay kamray ma... !** **01/06/27**
Font	Fredoka Bold, thick rounded block letters (free, SIL Open Font License; file supplied). Second line set at 92% of the first.
Technique	**Engraved look:** letters debossed about 1.4 mm into the fleece with ink fill. Confirm with the maker; flat screen print from the same file is the fallback.
Print size	29.8 × 4.1 cm (first line 30 cm wide)
Ink	#43220A, 1 colour
Placement	Centred on the front. Top of the text about 40 cm below the high point of the shoulder (HPS), just under the draw-cord tips and about 5 cm above the pocket's top edge.

Back print

ITEM	SPEC
Artwork	"13 14 Guide to the GIK Institute" campus map. Paper background removed: ink only, fabric shows through.
Print size	58 × 47.5 cm
Ink	#4E2E14, 1 colour
Placement	Centred on the back. Top edge about 18 cm below HPS, just under the hood; bottom edge about 19 cm above the hem.

The artwork was supplied at 1448 px wide and is enlarged to 300 DPI at print size. Fine text such as the name list will be softer than vector art; if the original high-resolution or vector artwork exists, print from that instead.
